Dist Dehradun

Direction under section 33-A of the Water (Prevention & Control of Pollution), Act, 1974 as amended and under Section 31-A of the Air (Prevention & Control of Pollution), Act, 1981 as amended.

WHEREAS, the Central Government has made the **Water (Prevention and Control of Pollution) Act, 1974** and the **Air (Prevention and Control of Pollution) Act, 1981**, and vide provisions of these Acts every water/air polluting industry/unit is required to obtain Consent to Establish and Consent to Operate from the **State Pollution Control Board**; and

WHEREAS, the Central Government has made the **Water (Prevention and Control of Pollution) Act, 1974**, and vide section 24 of this Act there is prohibition on use of a stream or well for disposal of polluting matter which elaborates that no person shall knowingly cause or permit any poisonous, noxious or polluting matter determined in accordance with such standards as may be laid down by Board to enter whether directly or indirectly into any stream or well or sewer or on land.

WHEREAS, for the purposes of protecting and improving the quality of environment and preventing and abating environmental pollution, the standards for discharge of environmental pollutants from the industries, operations or processes, have been specified under the **Environment (Protection) Rules, 1986**; and it is mandatory to every industries, operations or processes of keep their effluent/emission quality within the specified norms all the time; and

WHEREAS, Uttarakhand Environment Protection and Pollution Control Board has notified Inlet Effluent Quality Standards for Common Effluent Treatment Plant (CETP) situated; and

WHEREAS, Hon'ble High Court of Uttarakhand in the WPIL 77/2017 has directed on 17.08.2018 to CPCB to carryout inspection of all the units of Uttarakhand and in compliance CPCB has conducted inspections of 793 industries of red category. As per report by COCB out of 793 units, 323 units were found not complied. Accordingly Hon'ble High Court on 14.02.2019 issued orders which are as follows:- "We consider it appropriate, in such circumstances, to direct the Central Pollution Control Board to furnish the list of these 323 red category industries, which were found not to be complying with the prescribed norms, to the Member Secretary of the Uttarakhand Pollution Control Board within one week from today. The Member Secretary,

shall, within one month from the date of receipt of information from the Central Pollution control Board, cause an inspection of each one of these 323 red category units which, according to the Central Pollution Control Board, are not complying with the prescribed norms; record details of non-compliance, if any; take action against the erring units; and submit an Action Taken Report to this Court within the aforesaid period of one month."

**WHEREAS, 0.8 MLD STP of M/s Uttarakhand Payjal Sansthan and Nirman Nigam Ltd. Situated at Landaur, Mussorie** was inspected by the officials of the Board 08.03.19 and following observations were made:-

1. On the day of inspection STP was found operational.
2. Unit has not obtained Consent to Operate under Water and Air Act from the Board.

**AND NOW THEREFORE,** in view of above observations; and in exercise of the power conferred under **Section-33(A)** of the **Water (Prevention and Control of Pollution) Act, 1974** and **Section 31(A) of the Air (Prevention and Control of Pollution) Act, 1981**, as amended thereafter, with approval of Competent Authority of Board, **M/s Uttarakhand Payjal Sansthan and Nirman Nigam Ltd** is directed to show cause within 30 days from the issue of this direction as to why the unit should not be close down. In case of default and not submitting compliance in stipulated time period, further legal proceeding will be initiated as per provisions under the aforementioned Act/Rules.
