Direction under section 33(A) of the water (Prevention and Control of Pollution) Act, 1974 regarding Execution of Action Plans for rejuvenation of River Nandhor/ Kailash as per hon’ble N.G.T. order dated 20.09.2018, 19.12.2018 & 08.04.2019- reg.

Whereas, under section 18(1) (b) of the Water (Prevention and Control of Pollution) Act, 1974, mandates to perform function as may be prescribed or as may from time to time, be entrusted to it by Central Pollution Control Board or the State Government;

Whereas, under section 17 of the Water (Prevention and Control of Pollution) Act, 1974, one of the function of the State Pollution Control Board (SPCB), constituted under the water (Prevention and Control of Pollution) Act, 1974, is to plan a comprehensive programme for prevention, control or abatement of pollution of streams and wells located in the State and to secure the execution therefore and;

Whereas, under section 25 of the Water (Prevention and Control of Pollution) Act, 1974, no person shall, without the permission consent of State Board establish or take step to establish any industry, operation or process or treatment or disposal system or an extension or addition, there to which is likely to discharge sewage or trade effluent in to a stream or well or sewer or on land; and

Whereas, the Central Government has notified standards for discharge of environment pollution from industries & common effluent treatment plants (CETP’s) under the Environment (Protection) Act, 1986 and rules framed there under and;

Whereas, the hon’ble National Green Tribunal (NGT), passed the order, on dated 20.09.2018, 19.12.2018 & 08.04.2019 in the matter of O.A no. 673/2018, New item published in “The Hindu” authors by Shri Jacob Koshy titled

“more river stretches are now critically pollutant, to prepared Action Plan for restoration of polluted river Stretches in category of priority I, II, III, IV & V within two month for bringing all the polluted river stretches to be fit at least for bathing purpose (i.e. BOD <3 mg/l and FL 3500 mpn/100 ml) within six month from date of finalization the action plan.”

Whereas, the hon’ble NGT order on dated 20.09.2018, Uttarakhand State have total nine polluted river stretches, four river respectively Suswa, Dhela, Kichha & Bhela are categorized in priority I&II, other five river respectively Kalyani, Ganga, Kosi, Nandour & Pilakhar are in priority III & IV as per BOD load.
