ENVIRONMENTAL DATA

(Proforma for Display Board)

(Size 6 Feet X 4 Feet to be provided outside the premises, at the main gate of the unit)

1. **Date of Information update :**
2. **Name of the company (write in bold Letters) :**
3. **Address :**
4. **Contact person :** **Contact Number :**
Designation :
5. **Total Capacity / Production :**

Weeks	Date	Products	Raw Materials Consumption	Wastes
Previous week	From: To:			
Current week	From: To:			

6. **Production Flow chart indicating points of Waste (Solid, Liquid & gaseous) generation :**

7. **Consent under Air Act & Water Act issued on :, Valid up to :**

7 (a) : **Conditions of wastewater discharge:**

- (i) **Quantity of Effluent generation Per day (KLD) : Trade Effluent :.....Non-Trade Effluent :**
- (ii) **Monitoring of ETP/STP :**

	Discharge Quantity (KL)	Mode of Disposal (Drain/sewer/Land)	Type & Capacity of ETP/STP	Type of Treatment in ETP/STP (Primary/Secondary/Tertiary)
ETP				
STP				

(iii) **Quality of treated Effluent (Specify the relevant pollutant) :**

Prescribed parameters							
Prescribed Limits							
Input to the ETP							
Output from the ETP with Date							

7(b) **Conditions of Air Emissions :**

(i) **Air Emission & Control Measures :**

Capacity of Boiler/ Furnace/TPH/Etc.	Fuel Type	Fuel Consumption (Ltrs or Kg/day)	Air Pollution Control System	Stack Height(s) Meters above ground	Capacity of D.G sets (KVA)

(iv) **Quality of Air Emission (Specify the relevant pollutants for the industry) :**

Prescribed parameters				
Prescribed Limits				
Latest Monitoring Results of Air Emission with Date				

8. (a) **Authorization issued under the Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016 issued on....., Valid upto.....**

(b) **Authorization granted for Hazardous waste generation under the conditions :**

SN	Category of waste	Quantity of waste(MT)	Mode of storage	Capacity of remaining Storage (MT)	Final Disposal (Name of Agency)

(c) **Use of Hazardous Chemicals :**

Hazardous Chemicals	Quantity used	Safety Measures for storage & Handling
